If less than 3 riders are entered CEPF reserves the right to cancel the class.

Class and Division Specifications:

Hunter Classes: Open to ponies and horses. To be judged on performance, soundness, way of going and when indication, manners and suitability. Extreme speed will be penalized. Hunter classes will be run over a course of at least seven to eight fences with at least one change of direction. Clothing should be neat and conservative. The judge may penalize an entry for unconventional types of bits, nosebands and martingales. Martingales are NOT permitted in hunter under saddle classes. The use of boots and bandages are prohibited in hunter classes.

Walk-Trot Jr/Am Novice Classes: Cross entry restrictions. Walk-Trot Jr/Am classes are for novice riders only, that have not won a total of three first place ribbons. Walk-Trot Novice riders MAY NOT cross enter to any other class that canters; except the Opportunity X Rails or Mini Stirrup class(es). Riders may be asked to walk or trot through or over ground poles and demonstrate a halt in class #13.

Walk-Trot Open: Open to all riders and horses/ponies; no cross entry restrictions.

Equitation Classes: To be judged on the rider's hands, seat and control of their mount over fences and/or on the flat. Open to junior or adult amateur riders and horses or ponies. USEF Tests 1-9 may be asked in equitation classes.

Jumper Classes: Open to all riders on any pony or horse, unless otherwise noted. Spreads not to exceed fence height. To be scored, unless otherwise noted, Table II, Sec. 2 B. Per USEF Jumper rule: Table II, Sec. 2 (b)—The first round and first jump-off, if any, are decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. If a competitor has gone clean in the first round, the competitor will, without leaving the ring, upon an audible signal, commence the designated jump-off course. A competitor with a clear round may dismount, and with assistance if necessary, adjust tack and/or equipment; however, upon the audible signal to begin his/her round, the competitor is responsible to adhering to the 45 seconds rule as per JP134.3. A competitor who leaves the arena after a clear round (before or after the tone) will be considered to have retired from the jump-off. If there are no

clean rounds and a tie exists for first place, there will be one jump-off in which time will decide in the event of equality of faults. It is recommended that no more than ten numbered obstacles be included in the first round when the class is scored under this table. Class #1 and #2 to be scored under a one round format, Table IV Sec. 1. The round is decided by adding together the faults incurred over the course and any penalties for exceeding the Time Allowed. In the case of equality of faults, ties will be broken on the following basis: an "Optimum Time" (defined as 4 seconds less than the Time Allowed for the course) will be posted on the course plan; the horse with the time on course closest to this Optimum Time (over or under) will prevail in the tie, next closest next, etc.

Class #13 Ground Pole Hunter Open: To be a course consisting of 7-8 ground poles in a figure eight pattern. Poles may be trotted or cantered, open to all riders and horses/ponies. Trotting is not penalized.

Class #21 Camelot 2' Jr/Am Medal: Open to all junior and adult amateur riders. To be shown over an eq-uitation type course of not less than eight fences at 2' in height, including at least two changes of direction. Work-off at judge's discretion. USEF Tests 1-9 may be asked in course or work off. Special prize and rib-bon to 1st place.

An additional point will be awarded for each option successfully jumped. The course will be built to encourage and reward brilliance and daring from the rider and true athletic ability from the horses. Prize money paid to top three places; 50%, 30%, 20%.
