POINTS, QUALIFICATIONS, AND YEAR-END AWARDS

Riders and/or owners are ultimately responsible for ensuring their horses have proper registration to compete in USEA recognized events.

For Year-End Awards, the USEA has established a cut-off date of November 15th for inquiries about horse and rider competitive records. While we make every attempt to ensure the accuracy of our members' competitive records, we realize that errors do occur. It is the responsibility of every owner/rider to verify their horse's record. This may be done using the Horse Search on the website at www.useventing.com, under the Competitions section, or through the USEA Online Services Dashboard. Any questions regarding competition records can be directed to results@useventing.com.

NOTE: Please keep the USEA office informed of ANY changes in your horse's registration status - name change/retired/sold/deceased/etc.
