**On June 9–11, 2017 you have a unique opportunity  
to bring the attention of a targeted group of equestrians to  
your business while supporting a great cause.**

Camelot Equestrian Park Foundation (CEPF) along with the United States Eventing Association (USEA) is hosting, **Over the Moon in June**, a 3-Day Horse Trials that will be *over the top*.

Camelot Equestrian Park is building on and expanding their reputation as a competitor, spectator, and community friendly venue.

This Horse Trials will be a *must do* on any Eventer's Calendar.

Your sponsorship donation to this Event will enable CEPF to offer a real 3-day *experience* for competitors and spectators that they will be talking about well after the event.

Your donation will facilitate the addition of new and exciting features, amenities and prizes that will be *over the moon!*

And, the best part is, you will let everyone who attends know that your business supports their sport.

Your business will receive recognition throughout the Event.

Camelot Equestrian Park Foundation is incorporated as a nonprofit public benefit corporation within the meaning of Section 501(c)(3) of Internal Revenue Code. Donating your financial support to this Event is tax deductible within the limits of IRS laws.

CEPF is dedicated to assist those who love, ride, and compete with horses—And to preserve land for equine use by building and sustaining a first rate equestrian facility.

The mission of Camelot Equestrian Park Foundation is to provide challenging learning experiences that enable youth and adults to become knowledgeable and skilled in horsemanship.

The Foundation promotes competition in equestrian sports primarily by conducting competitions in equestrian events.

You can learn more about CEPF at [www.camelotequestrianpark.com](http://www.camelotequestrianpark.com).
